

Secret Garden

let some of your secret life into the museum

What is it all about, in just a few words?

"Jardin Secreto" is a group work requiring your participation over the summer of 2007. It involves anonymously sending a postcard with your deepest secret on it to the Museo Nacional Centro de Arte Reina Sofia in Madrid.

Our job was to send an anonymous letter to the curator of the Museum on June 30th, asking her to include the work in the Museum's permanent collection, as a donation.

The work will display the postcards sent to the Museum, arranged on tree-shaped metal racks, the side with the writing on it turned to face the visitors.

How do I participate? (Please read this section carefully)

- Choose a postcard and write down your deepest secret, the one you never expected to share with anybody, in the blank space.
- Write in CAPITAL LETTERS, but use enough space to make your writing legible from a few steps away.
- Be concise and specific. Do not include phrases such as « my secret is the following: », for instance.
- Try to make your handwriting « impersonal », perhaps by using your « other » hand.
- Don't include personal information, such as name, signature, sender, etc.

Postcards must be sent to the curators of the Museum by September 22nd, 2007 (last day of summer), and must mention "JARDIN SECRETO" - as follows:

**Dña. Ana Martinez de Aguilar
Dir. MNCARS - JARDIN SECRETO -
C/ Santa Isabel, 52
28012 Madrid (Spain)**

Addendum

- No one person may be considered the author of the work.
- No card will be returned to the sender -once included, cards become a permanent part of the work.
- No card postmarked later than September 22nd, 2007, will be considered part of the work.
- The work is an entirely free gift to the Museum, with no payment to be expected by either contributors or organizers. If, however, there should be royalties accruing to the author, as an individual or legal entity, they must be fairly divided, as subsidies, between the "madrimobs" collective and the "mucloveyou" association, who will devote any funds received to their respective projects.
- Participation implies acceptance of these conditions.

Pass the information along, please.
